## LET US REASON TOGETHER.

You want Groceries; you want the best; you want the worth of your money in every purchase.

## YOU DON'T WANT

to buy the cheapest and pay for the best; you don't want to pay for 18 lbs. and get 16.

## I BUY NOTHING

but the best, therefore can sell nothing but the best. My weight will answer for itself.

## MY PRICES

Are always the very low-  
est. My effort to save your  
money is to your interest.

**A Dangerous Runaway.**  
A very exciting and dangerous run-  
away occurred on the levee between this  
place and Beaver Dam yesterday morn-  
ing. Messrs. J. S. R. Wedding and  
Ben D. Rogers were being driven to the  
early train and while midway across  
the muddy creek levee the team became  
unmanageable and bolted. The tongue  
of the survey was broken and the  
vehicle became wholly beyond the con-  
trol of the driver. Mr. Wedding jumped  
and was thrown violently to the  
ground, while Rogers, who was seated  
behind him, was hurled over the side  
of the vehicle and lay for some time  
unconscious.

Mr. Ringo, who was in the survey, was  
thrown over the side of the vehicle and  
lay for some time unconscious. The  
vehicle was then taken to the stable  
and the horses were put in the  
stables. The survey was then taken  
to the stable and the horses were put  
in the stables.

**BEAVER DAM NOTES.**  
It is not our purpose as a correspond-  
ent to deal in politics as a pastime, but  
we are inclined to criticize harshly the  
action of our public servants, but as the  
general good of the people is at stake,  
we feel compelled to do so.

It is a sad thing to see a man of  
such high standing in the community  
as Mr. R. H. Hines, of Springfield, called  
to see his mother.
